Rapid Testing: Advances for HIV Prevention

A Live Satellite Broadcast and Webcast

November 18, 2004 1:00 – 3:00 PM EST

Agenda for Satellite Broadcast

- Welcome and objectives for the broadcast
- Describe rapid tests for HIV
- CDC activities related to rapid testing
- Discuss implementation considerations
- Describe confirmatory testing for positive test results
- Distinguish between screening and testing
- Identify key components of a quality assurance program
- Identify resources for updates on rapid testing
- Panel response to faxed-in questions from viewers
- Announcement: Topic for HIV Satellite Broadcast scheduled for April 21, 2005 (1:00 - 3:00pm EDT)

A 10-minute break is scheduled at approximately the midpoint of the broadcast

Broadcast, Webcast, Videotapes, CD-ROMs, Flyers

- The webcast of this broadcast may be viewed live or for 1 year on computers with Internet and Real Player through <http://www.phppo.cdc.gov/phtn>.
- Videotapes and Video CD-ROMs of CDC broadcasts may be obtained, while supplies last, by calling 800-458-5231. Closed-captioned videotapes are available.

Flyers about current and future broadcasts may be obtained by 1) accessing CDC's HIV Satellite Broadcast Website: <http://www.cdcnpin-broadcast.org>, 2) calling CDC's Fax Information System at 888-CDC-FAXX (for the flyer about today's broadcast, when prompted by the recording, enter document # 130042 and a return fax number); or 3) calling CDC's National Prevention Information Network (NPIN) at 800-458-5231 or 301-562-1098.

Technical Assistance and Fax Numbers

For technical (equipment) help during the broadcast:

In the U.S.: 800-728-8232

In Canada: 404-639-1289

For general questions about the HIV broadcasts (other than questions about satellite reception):
800-458-5231.

To fax questions to the panelists on November 18 only:

In the U.S.: 800-553-6323

In Canada: 404-639-0181

TTY (U.S.): 800-815-8152

TTY (Canada): 404-639-0182

To fax questions **after** November 18:
All locations: 404-639-2007

CDC Division of HIV/AIDS Prevention: <http://www.cdc.gov/hiv/dhap.htm>

CDC's Website for information/resources on HIV/AIDS prevention programs

NPIN (CDC's National Prevention Information Network): <http://www.cdcnpin.org> or 800-458-5231

NPIN provides information and materials for HIV/AIDS programs, funding sources, and referrals to more than 17,000 HIV/AIDS service organizations.
